Identical letters dated 20 July 2017 from the Permanent Representative of Israel to the United Nations addressed to the Secretary-General and the President of the Security Council

I am writing to inform you of Lebanese violations of Security Council resolution 1701 (2006), as well as breaches of Israeli sovereignty during the months of May and June 2017. Comprehensive lists of these violations are contained in annexes I and II.

As outlined in the present letter, as well as in previous letters that I have sent, Lebanese violations of resolution 1701 (2006) are daily occurrences. Despite their visibility and frequency, the vast majority of these violations are consistently excluded from the reports of the Secretariat.

I trust that forthcoming reports of the Secretary-General on the implementation of resolution 1701 (2006) will reflect the ongoing violations and demand that the Lebanese Government abide by its commitment under the resolution.

I should be grateful if you would have the present letter and its annexes circulated as a document of the Security Council.

(*Signed*) Danny **Danon**
